FOUNDING PARTNERS

ÎLOT 84

Îlot 84 is a non-profit organization whose mission is to revitalize the urban experience through the creation of pop-up spaces and the organization of events. Initiated by five experienced entrepreneurs in the event industry, the Îlot 84 team embodies the vision of a vibrant city driven by common places that are out of the ordinary.

SDC

DISTRICT CENTRAL

The SDC District Central is the catalyst and the voice for the Ahuntsic-Cartierville business world. It represents the combined forces of 1,800 business leaders united to develop a sector with outstanding economic, urban and human potential. Its mission is clear : breathe new life into this legendary quarter, make it shine on a broader stage and propel it to very top of Montreal's landscape.

ESPLANADE

MISSION

BRINGING THE BUSINESS COMMUNITY TOGETHER

In order to contribute to the growth of the District Central, the Îlot 84 team has used the lessons learned from the success of Aire commune in order to develop a unifying outdoor pop-up space for the neighbourhood: Green haus.

Following the first test season in 2019, Îlot 84 was forced to cancel the 2020 edition due to the COVID-19 pandemic. For 2021, Green haus, which has now become Esplanade Louvain, will be back in a formula adapted to the pandemic, and the space will be available for organizing private events in accordance with health guidelines.
